# Currents & Waves

## Public Power Week

The Wisconsin Rapids Water Works and Lighting Commission (WW&LC) has served our community for 106 years, delivering safe, reliable, and affordable electric and water service. Each year the American Public Power Association designates a week for communities to celebrate their public power utility. This year, Public Power Week is October 3<sup>rd</sup> through October 9<sup>th</sup>.

To celebrate, the utility will be posting short employee videos each day highlighting programs, frequently asked questions, or information to familiarize our customers with electric and water services. The videos will be posted on social media but can also be viewed on our website [www.wrwwlc.com](http://www.wrwwlc.com). We hope you find these videos educational and informative.

In conjunction with Public Power Week, the utility is also offering a trivia contest. The trivia questions are on the back page of this newsletter. You can find all answers on the utility's website at [www.wrwwlc.com](http://www.wrwwlc.com). Three lucky winners will be selected to receive a \$200 gift certificate each from the Heart of Wisconsin Chamber of Commerce, redeemable at businesses in our local community. You can drop off your answers in our office, in the drop boxes at the utility, or mail them in with your payment. Winners will be chosen on Friday, October 8<sup>th</sup>, so entries must be received no later than Thursday, October 7<sup>th</sup>.

**October 3-9 is  
Public Power Week...  
and we have reason to  
celebrate!**

# Public Power Week Trivia Contest

- Name two different payment options that are available for WW&LC customers, as listed on our website. \_\_\_\_\_
  - Purchasing 1 block of green energy is \$1.70 per month and is equivalent to saving how many gallons of gasoline a year? \_\_\_\_\_
  - What is the name of the program that offers information and services to help WW&LC residents and businesses select and install cost-effective solutions that save energy and money? \_\_\_\_\_
  - A customer should always call Diggers Hotline prior to digging in their yard. What is the easy three-digit number to call? \_\_\_\_\_
  - What year did the City purchase the Grand Rapids Electric Company? \_\_\_\_\_
  - Approximately how many electric customers does the utility serve? \_\_\_\_\_
  - Name a water saving tip to utilize in your home. \_\_\_\_\_
  - What payment option also allows a utility customer to view their usage and billing, manage payments, or notify customer service of account and service issues? \_\_\_\_\_
- All entries need to be received by Thursday, October 7<sup>th</sup>.
  - Three \$200 Chamber of Commerce Gift Certificates will be chosen from all entries.
  - One entry per customer account.

Name: \_\_\_\_\_ Address: \_\_\_\_\_  
 Account #: \_\_\_\_\_ Telephone #: \_\_\_\_\_

By submitting my entry form, I authorize Water Works and Lighting Commission permission to post my name only if I am chosen for a gift certificate.
